

# *Bank of the Federated States of Micronesia*

## **Exciting New Job Opportunities** **Careers ♦ Future ♦ Satisfaction ♦ Independence ♦ Respect**

At Bank of the FSM, there are openings for career-minded people who would like a challenge. The following position need to be filled;

### **Position: Information Technology Manager**

#### **Principal Responsibilities:**

- Oversee the planning, design, and implementation of the Bank's IT infrastructure and systems. This includes managing the IT Department and coordinating projects or delegating responsibilities to IT consultants and vendors.
- Lead and manage a small, skilled IT support team to ensure the delivery of high-quality, reliable IT services.
- Collaborate with internal departments and external vendors to ensure efficient and effective delivery of IT services.
- Ensure compliance with industry regulations, corporate standards, and best practices, particularly in the areas of data security and privacy.
- Manage IT projects from initiation to successful completion, including budgeting, scheduling, and resource allocation.
- Develop and maintain IT policies, procedures, and operational manuals in alignment with corporate objectives and regulatory requirements.
- Provide strategic direction and recommendations to continuously enhance, secure, and optimize the Bank's IT systems and capabilities.

#### **Requirements:**

- A degree in Information Technology or a related field.
- Minimum of 5 years of progressive IT experience, including at least 3 years in a supervisory or leadership role.
- Experience in the banking or financial services industry is highly desirable.
- Strong working knowledge of network infrastructure, information systems, and cybersecurity. Candidates with hands-on experience in configuring or administering Microsoft Windows Servers, Microsoft Exchange, VMware, Citrix, network firewalls, routers, and switches will have an advantage.
- Excellent technical, communication, and leadership skills.
- Familiarity with regulatory compliance requirements and IT security standards in the financial sector is an added advantage.
- IT certifications are desirable but not required.
- Experience working in a multicultural environment or within the Pacific region is an added advantage.

**Duty Station:** Bank of the Federated States of Micronesia, Corporate Office, Kolonia, Pohnpei, FSM

**Reporting:** Senior Information Officer

#### **Remuneration:**

Salary and benefits will be competitive and commensurate with experience and qualifications.

#### **Application:**

To apply, send a cover letter and CV with the names and contact details of three referees to [mweital@bofsm.fm](mailto:mweital@bofsm.fm) or by post to Human Resources Department, Bank of the FSM, P.O. Box 98, Kolonia, Pohnpei, FSM 96941.

**Closing Date:** Open until position filled.
